

Duro Moss Rubber Squeegees

Duro Moss Squeegees - Metal Frames

- Unique twin rubber blades will leave floors dry to the touch
- Ideal for removing liquids, dirt and quick drying
- The patented Adjustable Socket System fits all handles up to 7/8" diameter (see page 61)
- Available with black rubber or red neoprene blades

A Standard with Light Metal Frame

- Economic all-purpose squeegee
- The twin natural moss black rubber blades are securely held into the galvanized metal frame with a riveted and galvanized locking strip
- Can be used for both residential and professional applications in kitchens, patios, decks and garages

8340	18"	Black	10/cs.	5 lb
8350	24"	Black	10/cs.	8 lb

B Heavy-duty with Heavy Metal Frame

- The twin blades move large amounts of liquid and dirt
- The special splash guards prevent the water from spilling over the galvanized frame
- The reinforced handle socket is secured to the frame with 6 solid spot-welds for heavy-duty applications
- Ideal for tough, industrial work in factories, supermarkets, warehouses and gas stations

8356	22"	Black	10/cs.	11 lb
8375	30"	Black	10/cs.	15 lb
