## Metered Insect Control

### B Clean Air Purge III

- The most economically effective Pyrethrin insecticide; environmentally responsible, contains 0.975% Pyrethrins
- Kills and repels flying insects such as flies, mosquitoes, gnats and small flying moths

MACABLX Dispenser White 6/cs. 6 lb

342050 Clean Air Purge III 181 g 12/cs. 8 lb

### C Micro Plus Metered Insect Control System

- Micro Clean Air Purge I aerosol creates an invisible barrier to kill small flies and other flying insects
- Professional strength formulation repels and kills flying insects using natural Pyrethrins
- Provides coverage for a full 30 days
- Dispenser has complete programmability, including time of day, start/stop times and light, medium and heavy spray settings
- LED light flashes for service and battery replacement

342035 Micro Clean Air Purge 85 g 6/cs. 2 lb

320945 Dispenser 6/cs. 1 lb

## Rust Converter

### D Rust Converter

- Aerosol surface conditioner converts rust to form a stable paintable surface
- Eliminates the need for scraping, sandblasting, or priming rusty surfaces
- Protects further rusting on surfaces exposed to rain, sun and salt spray
- Resists the effects of weather without peeling or cracking after surface is painted

8346 13 oz/369 g 12/cs. 14 lb
