Natural Oil Metered Aerosols

B Fusion Metered Aerosols

- Made with natural oils and superior fragrances that don't have the harsh chemical overtone

- Contains Ordenone™, which encapsulates and eliminates odours; 3200 sprays

- Smaller particle size means the scents stay in the air longer

- Dry formula doesn't leave a build up on surfaces

- Deodorizes up to 6,000 cubic feet

- Environmentally safe; no ozone depleting ingredients

C Autofresh™ Select Aerosol System

- *Fragrance Preference Pack* - Through random rotation of fragrances, the awareness of how clean your restrooms and other areas are will remain high

- Pro-active display provides advance notice when a refill or batteries will need to be replaced

- Real-time clock for maximum programming flexibility—up to 168 days between refill changes

- Can be set to function the number of hours a day you require with three frequency settings—7, 14 and 28 minute settings, 5, 6 or 7 days a week

- Effective in areas up to 6,000 cu ft or 3-4 toilets/urinals
